

For more than 45 years, **PAGEL® Spezial-Beton GmbH & Co. KG**, Essen, has influenced and played a major role in the development of grout and other special mortars. The **PAGEL® Grout systemes** with the well-known V1® trademark and **PAGEL® concrete repair systemes** are meanwhile recognised as an expression of high quality throughout the entire world.

The extensive range of products, their very consistently high quality as well as a problem-specific customer consultancy service are some of the significant factors which have contributed to the outstanding reputation the company enjoys today.

PAGEL® Technische Mörtel is a member of the **PAGEL® Group**.
