

PAGEL®

Holidaypark - roller coaster grouting

Building project: Sky Scream in the Holiday Park (Haßloch, Rhineland-Palatinate, Germany) is a steel roller coaster. It was built by Premier Rides and opened on 12 April 2014.

The design of that roller coaster is identical to that of the Superman Ultimate Flight in the six Flags Discovery Kingdom.

Construction time: approx. 2014

Construction costs: approx. 8 Mio. €

Builder: Holidaypark Haßloch

Processor: R.C.S. GmbH

Design: **PAGEL® V1/50**
